NORTH COAST SECTION MISSION STATEMENT

*"The North Coast Section fosters, defines and preserves the role of athletics in secondary education. It is an organization committed to providing a wholesome environment in which educational athletics will thrive.
It is the Section's purpose to serve student-athletes and spectators, to encourage students to reach their potential within the context of available resources, organizational limits and equity of competition."*

The North Coast Section Scholar Athlete Award is one of the most popular award programs NCS member schools offer. Each year NCS member schools award 60,000 plus certificates to outstanding student athletes who have excelled in both their studies and in their athletic pursuits. Our schools believe that the values of hard work, commitment, and dedication that young people learn in educational athletics are applicable to many endeavors. We are proud to honor these student athletes who demonstrate these qualities in their academic achievement. Thank you for supporting this very important and popular program.

**NORTH COAST SECTION
SCHOLASTIC AWARDS PROGRAM
Criteria and Procedures for Participation**

Three different certificates are awarded each season. They are:

1. **SCHOLAR ATHLETE** - earned by any freshman, sophomore, junior or senior athlete who achieves a 3.5 or better GPA (**unweighted**) during the grading period while that student is participating in a sport.

2. **DISTINGUISHED SCHOLASTIC TEAM** - awarded to members of any team (freshman, frosh-soph., junior varsity, and/or varsity) that achieved a 3.0 or better composite GPA (**based on a 4.0 scale, do not use enhanced scale for figuring GPA**) during the season of sport. When submitted by the deadline (see page 2), the application for this award serves also as application for Scholastic Championship Team. *For the purpose of this award program, distinguished team membership shall include all student athletes participating during a given marking period. Students who, at the time grades are issued, become academically ineligible shall not be deleted from the team roster.*

3. **SCHOLASTIC CHAMPIONSHIP TEAM** - presented to the top three NCS varsity teams in each classification/division with the highest composite GPA (**unweighted**). Scholastic Championship teams are also awarded a pennant.

For qualifying scholar athlete students, list student name, year in school, sport, grade point average, team and level of competition (e.g. varsity, jv, etc) on the Scholar Athlete Award Report form. For **varsity teams only** each team that qualify as a Distinguished Championship team, login at the NCS website by clicking on "Login" at the top of the NCS website, www.cifncs.org". Select your school using the school name dropdown menu and enter your school's password. Passwords are being mailed directly to each NCS member school principal and athletic director. Each school has only one password. Each principal and athletic director is responsible for the protection of their school password and allows only those responsible individuals use of the password when necessary.

Once logged in click on "Scholastic Award". On the next page you will enter the requested school team information, names of athletes and GPAs. The system will automatically calculate the average GPA and will not allow for entry of weighted grades. Once you have completed the form click "Submit" at the bottom of the page and you are ready to complete another team, if necessary.

**ALL GPA'S MUST BE CALCULATED ON A SCALE OF
0 TO 4 WITH AN A=4, B=3, C=2, D=1, F=0.**

Figure GPA to three places to the right of the decimal point and round to two places. No distinction will be made for plus or minus grades or for Advanced Placement or College Prep courses. **If your school uses an enhanced scale for figuring GPA, you must recalculate any such averages using a 4.0 scale. It is not accurate to report these averages by simply rounding a 4 plus average to 4.0. Certain averages below 4.0 may also be**

reflective of such an enhanced scale; therefore these must be recalculated also.

Below are the deadlines for completion of the online submission of qualified Scholastic Championship Team Award applications:

(Use November grades - 1ST quarter)
