**TO:** League Commissioners, Principals, Athletic Directors, Boys' and Girls' Winter Soccer Coaches  
**FROM:** Karen Smith, Assistant Commissioner  
**DATE:** December 7, 2005  
**SUBJECT:** Soccer tournament tie games rules interpretation

The North Coast Section staff has determined that in tournament games where tiebreaker procedures are used to determine which team advances, this game shall count as a tie game on the team's overall record. This is a change, from the previous years in soccer, in how tournament tied games are counted.
